Subject: RE: update on actions associated with 404g

Thanks! Just FYI – for tomorrow I just wanted to make sure I had time on the calendar for you so we can regroup and you can run anything by me that you might want some input on since Friday's weigh in from Dave R on moving forward. And congrats for that. I am soooooo happy that all the churning for the past few weeks (despite how painful!) resulted in movement on the exact things you had indicated months ago needed to have decisions and actions in order to get things accomplished. That 'movement' is no small feat and I am gleeful that I was able to experience at least initial acknowledgement, embrace and steps forward while I'm still here. Kudos!

Subject: update on actions associated with 404g

Mike per our discussion this morning, and Cathy in prep for our discussion tomorrow, this is the status of items I am currently working on, often with others, associated with 404(g) efforts:

ESA –

- Report out from Matt Leopold briefing on ESA-FL issue;

-
-
-
-

Ex. 5 AC/DP

- John Goodin update scheduled for Thursday noon – to cover MI and NJ approaches to ESA and potential options for FL

-
-

Ex. 5 Deliberative Process (DP)

Rulemaking effort

- Tomeka is speaking with Sandy E. regarding getting this tiered. This will not make it into the reg agenda this year.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

- Working on modifying the Task Order to get facilitation help on the rulemaking effort and hopefully to craft the analytical blueprint. Maybe even do the economic analysis. Working with Ruth to refine current version. Will work with Jake and Mike Long to get it uploaded and processed.

- Need to figure out:

-

Ex. 5 Deliberative Process (DP)

○ ○

- Kathy traveling next week

○ ○ ○

Michigan

•
•
•

AZ – still working on reviewing authorizing legislation.

Other issues:

Jake Strickler is trying to move forward with closing out the FACA.

- Trying to track down communication, post recommendations sent to EPA, with subcommittee members. I don't believe there are any.
- Jake will put package together for AX signature to formally close the FACA.

Okay until tomorrow. - Kathy
